Uz jedriličare koji dominiraju brojkom sudjelovalo je i veći broj jedriličarki i djece u međugeneracijskoj sinergiji.

Noćni Sprint u pulskoj luci je jedna izazovna zanimljiva regata i kako kažu naši natjecatelji najljepša pulska regata. Promjenjivi su uvjeti vjetra, jaka konkurencija na regatnom polju, mrak, slabija vidljivost i adrenalin radi. Startali smo sa danom i vraćali se po mraku. Zadnji brod je ušao u cilj u 18:39:00. Time limit regate je bio 20:15h. Cijela flota je uspjela završiti regatu u roku.
